

# Blizzard Blues Turnaround

By Shawn Bradshaw - [Cyberfret.com](http://Cyberfret.com)

A turnaround takes place in the last 2 measures of a 12 bar blues. In this case, this is a turnaround for a blues in the key of A. There are all kinds of ways you could play a blues in A, and I have given you a really basic one to get you started below.

But whatever variation of a 12 bar blues in A you are playing, just replace the last 2 measures with the 2 measure turnaround below.
